## Dedication

*Mrs.  
Congdon*

The class of 2011 would like to dedicate this yearbook to someone who has helped us fundraise and make this year successful. You have motivated and inspired many of our lives. Your hard work and determination for our class allowed all of us to enjoy our senior year. Many of us come to you for advice and a friendly smile and you are always there when we need it. We can't give enough thanks for all you have done for us!

## Appreciation!

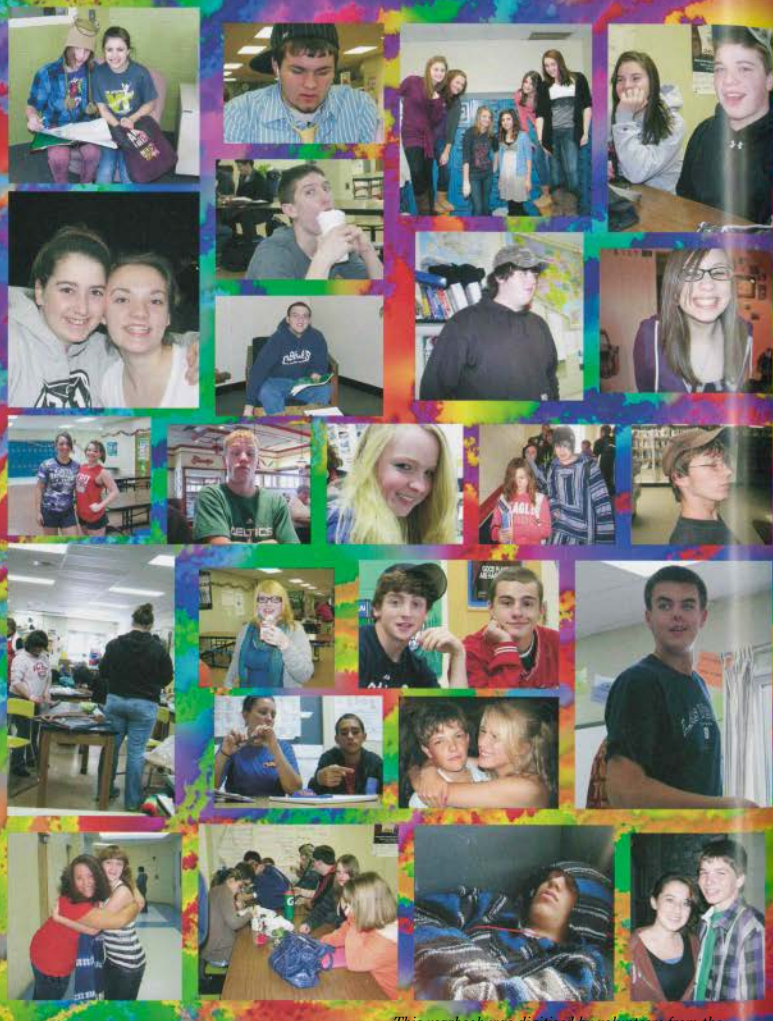

*Mrs.  
Munson*

The class of 2011 would like to thank you for all the times we needed you. Whether it was about college applications, schedule changes, or a friendly hello, you have generously listened and made student services a warm and inviting place to be. You have influenced us in the most positive ways and willingly lead us into the next chapter of our lives. We can't thank you enough!

Signatures

Zoey Brown

Zoey,

On behalf of the entire staff and student body, we send our best wishes that you will be back to join us here at Mill River next year.

Our thoughts, prayers and hopes are with you. You are missed!  
Sincerely, and with our love,  
The 2011 MRUHS Yearbook Staff

Our mother and son bond is something I'll treasure everyday.

David you are one of the most humble individuals that I have ever met. Your sense of humor and wit always puts a smile on my face. Love you since the day that our eyes met. Who makes me proud to call him my son? David Sebasky makes me proud.

Mom

Genevieve,  
You are the spark of our family. Shine on.

Love Mom, Dad & Olivia

Congratulations James  
We are so proud of your accomplishments!

Advisors note: I would like to thank Rob Black for his help getting the sports team pictures, Mrs. Sullivan for her proof reading and for some great pictures of NHS, Ms. Martin for providing us with plenty of Model UN shots, Mr. Bruno for the great Stage 40 and Stage 20 photos and everyone else who helped us with pictures, or information.

A special thanks from me to the following staff members for their special efforts this year in serving as Yearbook editors: Shannon Loree - editor, Kyle Lewis - editor, and Leslie Bardin - assistant editor.

While our book may not be perfect, it's taken a lot of effort by this years staff, I want to thank each and every one who made the time to attend class on a regular basis to help make this project happen, and we all hope that you enjoy the 2011 MRUHS Yearbook!

Sincerely yours

A young boy with short brown hair and glasses is smiling. He is wearing a white lab coat over a blue shirt, and a stethoscope is around his neck. In the background, medical equipment like a reflex hammer and an otoscope are hanging on a wall.

you'd be successful!*

There's so much  
beauty around  
you. Look  
up.

"Ask not what the  
world needs. Ask  
what makes  
you come alive  
and do that,  
because the  
world needs  
more people  
who have  
come  
alive..."

And we'll  
be waiting  
from  
such  
great  
neighbors

I can see a lot of life in you

Remember to  
look at the  
beauty behind you

When  
beauty  
touches

THE WORLD IS YOURS,  
It's just waiting for  
you!

There's a  
great world  
in you!

When  
beauty  
touches

Don't let  
the world  
take away  
your beauty

When the world  
takes away  
your beauty

(Don't let  
the world  
take away  
your beauty)

When the world  
takes away  
your beauty
